## Fellowship and the Local Church

---

This study looks at the need for each Christian to have fellowship with other believers. God's plan is that fellowship should be found in the local church. A church is not the bricks and mortar that make up a physical building, but a "family" of saved people. Please pray first.

---

**Section 1** — Look at 1 Peter 2:1-5, and answer the following questions.

See Acts 2:41-42 & Ephesians 4:11-12. Christian TV/radio/recordings can never replace real fellowship in a local church.

## Conclusion

The Word of God teaches that every believer is to be committed to a good Bible teaching church. Be sure to attend every service in your local church, and only miss for very pressing unavoidable reasons. Do not allow trivial things to keep you from being with God's people in the local church whenever the doors are open. When you miss church for something else, you are making a statement that this other thing is more important to you.

## Memory verse

*Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another...*

(Hebrews 10:25)
